## Mission Statement and Values

“Through God’s love, we strive to be the best we can be.”

St Mary’s is an inspiring and creative school which fosters a love of learning as well as developing skills for life. We strive to enhance every child’s moral, spiritual, intellectual, social and physical well-being and celebrate every child’s gifts.

As a faith school we hold **love** at the centre of all we do. This and the following values reflect the ethos of our school.

**Respect** – ourselves, each other and our environment

**Courage** – to stand up for what is right, overcome our fears and embrace new challenges

**Truth** – in the choices we make and our dealings with family, friends, school and community

**Hope** – that inspires us to look forward in confidence to a better life for all

## WE ARE A CHURCH SCHOOL THAT STRIVES TO SERVE OUR LOCAL COMMUNITY

The Governing Body, who are responsible for admissions to this Church of England Voluntary Aided Primary School, have agreed with the Local Education Authority to admit 30 pupils for each year group and this applies to the current school year. These arrangements and the admissions criteria below are reviewed annually.

### **Admissions Procedure**

- (a) Application for admission must be made by
  - registering and naming the school online at [www.eadmissions.org.uk](http://www.eadmissions.org.uk)
  - completing the school’s supplementary form when requesting a place under criteria 3 and 4 available from and returned to the school office.
  - The Headteacher will explain the admissions procedure at an open day, details of which are given on request.
- (b) It is the responsibility of the parents to inform the Headteacher of any change of circumstances, which take place after the completion of the application form.
- (c) 30 children will be admitted to the reception class in the autumn term of the academic year in which they will be 5 years old.
- (d) Parents will be informed whether or not their child has been offered a place following the local authority dates.

When there are more applicants than there are places, the governors will allocate places to children in the following order of priority:

- (1) Looked-after child or a child who was previously looked after but immediately after being looked after became the subject of an adoption, residence, or a special guardianship order.
- (2) Children subject to a Child Protection Plan for whom this is the nearest school.
- (3) Children whose parents are regular worshippers at St Mary's Church, Stoke Newington. Regular worship is attendance at least once a month at services for a period of at least one year prior to the application.) A supporting letter is required from the relevant parish priest.
- (4) Children whose parents are regular worshippers (as detailed above) at other Christian churches and who reside within the parish boundary of St Mary's Church, Stoke Newington. A supporting letter is required from the relevant Christian minister. (Children who have access to a local denominational school of their own faith will not be considered under this category.)
- (5) Children who have a sibling at the school at the time of attendance.
- (6) Children of members of staff who have worked at the school for at least two years prior to the academic year for which they are applying.
- (7) Of the remaining applicants, those who live closest to the school. Distance will be measured in a straight line from the child's home address to the centre of the school, using the Local Authority's computerised measuring system.
- (8) In the event of two children living exactly the same distance, the allocation will be determined by lottery, which will be carried out by the Admissions Committee in the presence of an independent witness.

#### Note 1

Children with a statement of Special Educational Needs (SEN) that specifies this school as the placement school will be allocated a place through a separate procedure in accordance with the Special Educational Needs Practice.

#### Note 2

In the case of twins or multiple birth if a place is offered to one of the children priority will be given to all of the other siblings and the Governing Body will establish if the school is able to admit more than 30. If this is not possible the allocation of the place will be determined by lottery, which will be carried out by the Admissions Committee in the presence of an independent witness.

### Note 3

Should the number of applicants eligible in a particular criterion exceed the number of places available, preference will be given based on distance from the school according to the formula in criterion 7.

### Note 4

For the purposes of these applications, parent should be taken to include carer, guardian or foster parent/carer.

Unsuccessful applicants will be placed on a waiting list in order of the above priorities.

### **In Year Admissions**

Vacancies for places in all year groups will be offered to those on the waiting list according to the admissions criteria above.

### **Admissions Appeals**

Parents who are not offered a place for their child are entitled to appeal to an independent committee under the provisions of the Education Act 1980. Parents wishing to appeal should complete an appeal form, which is available from the school.
